Metairie, Louisiana — Gregory Ricks, principal owner of independent financial services firm Gregory Ricks & Associates, was among two featured hosts September 21 through 23 at The Journey: Dallas, an exclusive training event for some of the top financial professionals in the United States.

Advisors Excel, one of the nation's largest independent insurance marketing organizations, hosted this semiannual event, which gives financial professionals methods to help provide clients with sound financial strategies for the days ahead.

Gregory Ricks was hand-chosen by Advisors Excel as a featured trainer for this event. More than 330 financial professionals were in attendance at the Dallas event, with many more watching via live streaming simulcast in offices around the country.

About Gregory Ricks

Gregory Ricks is an Investment Advisor Representative and Insurance Professional who has three decades of experience in the financial services industry. Influenced by his mother's financial hardships, Rick serves both pre-retirees and retirees by helping them prepare for the unknown, so they can have confidence in where they are, where they're headed and where they're likely to end up 10, 15 or even 20 years out.

For more information about Gregory, or to schedule a time to discuss your financial future, contact Gregory Ricks & Associates at 504.832.9200 locally, or visit www.GregoryRicks.com. Gregory Ricks & Associates is an independent financial services firm helping individuals create retirement strategies using a variety of investment and insurance products to custom suit their needs and objectives.

About Advisors Excel

Advisors Excel is an independent marketing organization (IMO) founded in 2005 by Cody Foster, David Callanan and Derek Thompson. Advisors Excel helps independent insurance producers and investment advisors nationwide increase their annuity and life insurance business by providing access to a variety of insurance products, including proprietary options; unparalleled training; powerful marketing and lead generation support; and a culture in which many of the nation's top producers can continually refine their skills to better serve their valued clients.
